

# Final Assignment: Newsroom Portfolio Website

## Assignment Documentation

---

### Task 01: Header Implementation

1. Use the **OOTB Header Component**.
2. Ensure the navigation menu includes the following pages:
  - Home
  - News
  - About Me
  - Contact Me
3. Implement a **drop-down menu** under "Books" where "News" should be listed.
4. Apply proper styling to maintain a visually appealing and consistent header.
5. Ensure the header is used at the **template level**, so it appears on all pages.

```
• home
• news
  • news1
  • news2
  • news3
  • news4
  • news5
• about-me
• contact-me
```

### Task 02: Footer Implementation

The footer should include the following sections:

- **About Me** – A brief description of the journalist.
- **Contact Me** – Details to connect with the author.
- **Latest 5 News Articles** – List the five most recent news articles as hyperlinks that open in a new tab.
- **Social Media Links** – Links to social media profiles of the journalist.

#### About Me

Passionate journalist covering global news, politics, and investigative stories.

### Task 03: Home Page Implementation

1. Use the **OOTB Teaser Component** to display an award ceremony for a journalist.
2. Author the teaser component with:
  - **Image**
  - **Title**
  - **Short Description**
  - **Call-To-Action (CTA)** linking to a dedicated page where the full award-related news is displayed.

The screenshot displays the configuration interface for the OOTB Teaser Component. It features a vertical scrollable area with the following fields:

- Title:** A text input field containing "Journalist John Cena Wins Prestigious Award at 2025 Ceremony".
- Description:** A text area containing a paragraph about John Cena's award, with a vertical scrollbar on the right.
- Image:** A section containing a placeholder image of a man with a beard. Below the image are three buttons: "Edit", "Clear", and "Pick". Below these buttons is the text "Drop an asset here or [browse](#) for a file to upload."
- Published Date:** A text input field containing "03/04/2024".

At the bottom right of the interface, there are two buttons: "Cancel" and "Done".

**Journalist John Cena Wins  
Prestigious Award at 2025  
Ceremony**

**Description:** John Cena was honored with the "Journalist of the Year" award at the 2025 Global Media Awards held in New York. The ceremony celebrated his outstanding contributions to investigative journalism, particularly his in-depth reporting on global politics and social issues. Cena's work has been recognized for its impact and dedication to uncovering the truth. The event was attended by industry leaders, and Cena delivered a heartfelt speech about the importance of storytelling in journalism.

## Task 04: News Page Implementation

### 1. Create a NewsRoom Component:

- This component should fetch and display news articles stored under /content/news.

### 2. Create the News Page:

- Author it as the parent page where the NewsRoom component will be placed.

### 3. News Articles:

- Create individual news article pages under /content/news.
- Each news article page should be authored with:
  - **Title**
  - **Image**
  - **Text**
- Ensure the NewsRoom component retrieves and displays each news article as a card, with:
  - **Unique Title**
  - **News Detail**
  - **Image**

## Task 06: Contact Me Page Implementation

1. Use either the **Text Component** or the **Teaser Component** to display contact details.
2. Include:
  - **Email or phone number** for direct communication.
  - **Links to social media profiles**, allowing users to follow the journalist.

A screenshot of a configuration interface for a 'Teaser' component. The title 'Teaser' is at the top left, with a help icon and a preview icon to its right. Below the title are three tabs: 'Links', 'Text', and 'Asset', with 'Links' being the active tab. A paragraph of text explains inheritance rules for the teaser title, description, and image. Below this is a 'Link' section with a text input field and a folder icon. A checkbox labeled 'Open link in new tab' is present. The 'Call-to-actions' section contains a list of two items. Each item has a text input field with a URL, a folder icon, a checkbox with an information icon, a button with text, a trash icon, and a swap icon. The first item has the URL 'https://twitter.com/johncena' and the button text 'Follow...'. The second item has the URL 'https://linkedin.com/in/joh...' and the button text 'Conne...'. An 'Add' button is at the bottom left of the list. At the bottom right of the entire interface are 'Cancel' and 'Done' buttons.
